SUMMARY OF TELEPHONIC CONVERSATION

On September 11, 2008 and October 2, 2008, during telephonic discussions of application 10/724,955, the applicants' representative noted that independent claim 8 was not properly addressed in the final Office action mailed on July 21, 2008. After reviewing the final Office action, on October 8, 2008 during a telephonic discussion of application 10/724,955, Examiner Preston agreed that the final Office action did not adequately address claim 8. Examiner Preston further agreed to withdraw the final Office action and issue a new Office action, adequately addressing claim 8 and the substance of the remarks filed on May 10, 2008.

Accordingly, as agreed by the applicants' representative and Examiner Preston, no further action by the applicants, or their representative, is necessary at this time.

Respectfully submitted,

/Barry Visconte/
